List of Programs

Note: This section is preloaded with the list of programs reported in the prior year's IPRC.

CIP Code	Teacher Preparation Programs	UG, PG, or Both	Update
13.1302	Teacher Education - Art	Both	

Total number of teacher preparation programs:

1

SECTION I: PROGRAM INFORMATION

Program Requirements

Check the elements required for admission (entry) into and completion (exit) from the program. If programs are offered at the undergraduate level and postgraduate level, complete the table for both types of programs. [\(\\$205\(a\)\(1\)\(C\)\(i\)\)](#)

THIS PAGE INCLUDES:

- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Full-time equivalent faculty supervising clinical experience](#)
- [Adjunct faculty supervising clinical experience](#)
- [Cooperating Teachers/PreK-12 Staff Supervising Clinical Experience](#)
- [Supervised clinical experience](#)

Undergraduate Requirements

Note: This section is preloaded from the prior year's IPRC.

1. Are there initial teacher certification programs at the undergraduate level?

- ☒ Yes
- ☐ No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the table below blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Admission	Completion
Transcript	☒ Yes ☐ No	☒ Yes ☐ No
Fingerprint check	☐ Yes ☒ No	☐ Yes ☒ No

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

2.5

3. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

2.7

4. Please provide any additional information about the information provided above:

Minimum GPA is waived if students have been in professional practice for more than ten years and demonstrate equivalent competencies.

Supervised Clinical Experience

Note: The clinical experience requirements in this section are preloaded from the prior year's IPRC. Teacher preparation providers will enter the number of participants each year.

Provide the following information about supervised clinical experience in 2024-25. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

Are there programs with student teaching models?

- ☒ Yes
- ☐ No

If yes, provide the next two responses. If no, leave them blank.

Programs with student teaching models (most traditional programs)	
Number of clock hours of supervised clinical experience required prior to student teaching	115
Number of clock hours required for student teaching	640

Are there programs in which candidates are the teacher of record?

- ☐ Yes
- ☒ No

If yes, provide the next two responses. If no, leave them blank.

Programs in which candidates are the teacher of record in a classroom during the program (many alternative programs)	
Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom	
<u>Years</u> required of teaching as the teacher of record in a classroom	

All Programs	
Number of full-time equivalent faculty supervising clinical experience during this academic year (IHE staff) Optional tool for automatically calculating full-time equivalent faculty in the system	1
Number of adjunct faculty supervising clinical experience during this academic year (IHE staff)	1
Number of cooperating teachers/K-12 staff supervising clinical experience during this academic year	9
Number of students in supervised clinical experience during this academic year	5

Please provide any additional information about or descriptions of the supervised clinical experiences:

College for Creative Studies Visual Arts Education K-12 certification requires 8 weeks in elementary and 8 weeks in secondary for a total of 16 weeks of student teaching. 5 students were in student teaching during this time period. Two students worked with the same elementary placement which accounts for 9 cooperating teachers rather than 10. Two hours per week of a seminar with faculty constitute the 30 additional hours of mentor/induction support.

Enrollment and Program Completers

In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year.

(§205(a)(1)(C)(ii))

THIS PAGE INCLUDES:

>> [Enrollment and Program Completers](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Enrolled Student](#)
- [Program Completer](#)

Enrollment and Program Completers

2024-25 Total	
Total Number of Individuals Enrolled	43
Subset of Program Completers	5

Gender	Total Enrolled	Subset of Program Completers
Male	8	0
Female	35	5
No Gender Reported	0	0
Race/Ethnicity	Total Enrolled	Subset of Program Completers
American Indian or Alaska Native	1	0
Asian	7	1
Black or African American	6	1
Hispanic/Latino of any race	4	0
Native Hawaiian or Other Pacific Islander	0	0
White	20	2
Two or more races	2	1

Race/Ethnicity	Total Enrolled	Subset of Program Completers
No Race/Ethnicity Reported	3	0

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Academic Major

THIS PAGE INCLUDES:

>> Teachers Prepared by Subject Area

>> Teachers Prepared by Academic Major

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2024-25.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

What are CIP Codes?

☐

No teachers prepared in academic year 2024-25

If your program has no teachers prepared, check the box above and leave the table below blank (or [clear responses already entered](#)).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>).

CIP Code	Subject Area	Number Prepared

13.99	Education - Other Specify: 	

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2024-25. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. [\(\\$205\(b\)\(1\)\(H\)\)](#)

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

What are CIP Codes?

Does this teacher preparation provider grant degrees upon completion of its programs?

- ☐ Yes
- ☒ No

☐ No teachers prepared in academic year 2024-25

If this provider does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or [clear responses already entered](#)).

Respond to the following assurances. Teacher preparation programs should be prepared to provide documentation and evidence, when requested, to support the following assurances. [\(\\$205\(a\)\(1\)\(A\)\(iii\); \\$206\(b\)\)](#)

THIS PAGE INCLUDES:

>> [Program Assurances](#)

Program Assurances

Note: This section is preloaded from the prior year’s IPRC.

1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- ☒ Yes
- ☐ No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- ☒ Yes
- ☐ No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- ☐ Yes
- ☐ No
- ☒ Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- ☒ Yes
- ☐ No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- ☒ Yes
- ☐ No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- ☒ Yes
- ☐ No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- ☒ Yes
- ☐ No

8. Describe your institution’s most successful strategies in meeting the assurances listed above:

CCS is located in the heart of Detroit MI. There is a grade 6-12 charter school, UPAD, on our campus serving a low-income urban demographic that provides experience for our pre-service teachers. CCS Art Education students complete a minimum of 15 field hours at the charter school on our campus. In addition, we often place our students in one of the local urban schools for half of their student teaching experience, and then place them in a rural or suburban setting for the second half. Additionally, CCS Art Education students continue complete 10 hours of field experience at a facility, through Friendship Circle and Soul Studio, for children and young adults with special needs during their course of study. Also of note, the Community Arts Partnership (CAP) program at CCS provides an opportunity to complete a minimum of 20 hours toward the service learning project requirement which affords them opportunities to work with diverse populations in a variety of community settings outside of the traditional classroom. Finally through

CE (Continuing Education), many of our students participate as teaching assistants, providing instruction during the summer programs and support of instructions for diverse learners in the Detroit region. During student teaching, students are placed in settings where ELL students are enrolled and also mentored in IEP protocols as appropriate.

Annual Goals: Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(§205\(a\)\(1\) \(A\)\(i\), §205\(a\)\(1\)\(A\)\(ii\), §206\(a\)\)](#)

Note: Last year’s goal and the current year’s goal are preloaded from the prior year’s IPRC.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Quantifiable Goals](#)

THIS PAGE INCLUDES:

- >> [Report Progress on Last Year’s Goal \(2024-25\)](#)
- >> [Review Current Year’s Goal \(2025-26\)](#)

- ☐ Yes
- ☒ No

10. Describe your goal.

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(§205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact RTI's Title II Support Center and your testing company representative.

Summary Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(§205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact RTI's Title II Support Center and your testing company representative.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Summary Pass Rates

Group	Number taking tests	Number passing tests	Pass rate (%)
All program completers, 2024-25	5		
All program completers, 2023-24	6		
All program completers, 2022-23	5		

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. [\(\\$205\(a\)\(1\)\(D\), \\$205\(a\)\(1\)\(E\)\)](#)

Note: This section is preloaded from the prior year's IPRC.

THIS PAGE INCLUDES:

>> [Low-Performing](#)

Low-Performing

1. Is your teacher preparation program currently approved or accredited?

- ☒ Yes
- ☐ No

If yes, please specify the organization(s) that approved or accredited your program:

- ☒ State
- ☐ CAEP
- ☒ AAQEP
- ☐ Other specify:

We are currently full members of AAQEP Our anticipated site visit is March 2027

2. Is your teacher preparation program currently under a designation as "low-performing" by the state?

- ☐ Yes
- ☒ No

On this page, review the questions regarding your program's use of technology, and update as needed.

Note: This section is preloaded from the prior year's IPRC.

THIS PAGE INCLUDES:

>> [Use of Technology](#)

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. [\(\\$205\(a\)\(1\)\(F\)\)](#)

Does your program prepare teachers to:

a. integrate technology effectively into curricula and instruction

☒ Yes

☐ No

b. use technology effectively to collect data to improve teaching and learning

☒ Yes

☐ No

c. use technology effectively to manage data to improve teaching and learning

☒ Yes

☐ No

d. use technology effectively to analyze data to improve teaching and learning

☒ Yes

☐ No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

CCS Art Education Students use interactive white boards, Elmo's, computers, and iPads to teach lessons and involve students in hands-on learning. In addition students employ web based applications such as Jamboard, padlet, miro, and mind mapping softwares to promote collaboration in teaching and learning. Additionally, the use of technology for assessment is employed as students photograph and reflect on learning process and progress which makes visual, learning and growth. More recently, we are exploring the integration and ethical uses of AI. Finally, students are fluent in the use of LMS's from a students perspective and the impacts of well designed LMS courses as a teaching and assessment tool in the event they will need to use an LMS as they enter the profession. As art & design majors, our students use Wacom tablets to teach drawing, incorporate animation and video design in lessons, use computers and tablets to teach graphic and product design projects. Most students are fluent in the Adobe suite. In addition, CCS art education students design lessons and units specifically to address online and remote learning needs as well as incorporating the use of the internet for research. Further, Art education and College for Creative studies have developed polices around the responsible use of AI both as a teaching and learning tool as well as a pedagogical support. AI as a research and ideation tool while also providing transparency and appropbate citing of the use of AI is becoming integrated into the program CCS is a college for art and design. Design Thinking is embedded in all they do in their foundations and studio courses. The Art Education Department requires students to apply their knowledge of Design Thinking to the principles of universal design learning in the art education methods classes.

Provide the following information about your teacher preparation program.

(§205(a)(1)(G))

Teacher Training

1. Provide a description of the activities that prepare general education teachers to:

a. Teach students with disabilities effectively

CCS art education students complete this in conjunction with the Human Development course. This course is specifically designed to address a spectrum of students with special needs including seen and unseen disabilities. Actions in this course include the design and implementation of a lesson during a field experience which can address a full spectrum of needs which guarantees success for all learners. CCS has partnerships with various community centers and schools that provide educational experiences for CCS Art Education students with special needs populations. This includes Friendship Circle, and Soul Studio in Bloomfield Hills, as well as Dearborn Schools, as CCS art education students visit and participate in activities in order to gain real life experience which they then apply to their curriculum and lesson plan design. Additionally, in all art education courses, issues of accommodations and differentiation are addressed when considering lesson planning and implementation.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

CCS art education students are exposed to this first in conjunction with the Human Development course. All art education students complete a minimum of 10 hours of field experience teaching students identified with severe physical and cognitive impairments (special needs) at, Friendship Circle and/or Soul Studio and Dearborn Public Schools. Our students have the opportunity to observe students in a life skills setting in order to better understand the needs as well as strengths of special needs learners. They participate in conversations with the educators present at these facilities to become aquatinted with the processes and procedures for working with special needs students. In addition, we are cultivating new relationships in school districts which serve different populations of special needs students. During the student teaching we explicitly address IEP process and procedures so students have the opportunity to experience this while in the student teaching setting. We are also address this topic in the seminar course which accompanies the student teaching experience.

c. Effectively teach students who are limited English proficient.

Art Education students also teach/tutor students with limited English proficiency as part of our Reading course.

2. Does your program prepare special education teachers?

- ☐ Yes
- ☒ No

If yes, provide a description of the activities that prepare *special education teachers* to:

a. Teach students with disabilities effectively

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

c. Effectively teach students who are limited English proficient.

Contextual Information

On this page, review the contextual information about your program, and update as needed.

Note: This section is preloaded from the prior year's IPRC.

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

In February 2016 the Michigan Board of Education approved CCS as an Education Preparation Institution. National Association of Schools of Art and Design completed a site review and 10 year renewal report March 28, 2018. The National Association of Schools of Art and Design approved the Art Education Program for another 10 years. CCS decided to leave NASAD in June of 2023 and the Art Education Department is in the process transitioning to the Association for Advancing Quality in Educator Preparation (AAQEP). As of April 2025, CCS became a full member of AAQEP and is undergoing the process of transitioning accreditation. At this time there are no files to upload as they are in process. The Quality Assurance report is currently being developed and expected date of submission for this repost is May 2026, with our site visit anticipated the following Spring of 2027

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

Certification of submission

☒ I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual*.

NAME OF RESPONSIBLE REPRESENTATIVE FOR TEACHER PREPARATION PROGRAM:

Dr. Amy Ruopp

TITLE:

Chair of Art Education
